Alberta Friesian Horse Association

It's that time of the year, the end of December: Reflecting on another year that went by.

For our Chapter it was a very special year. Hosting FHANA's 35th Anniversary Celebration. It was a huge task, it involved countless hours of organizing, preparing, training, etc., but **"We Did It"**.

We were Blessed with an overwhelming attendance and our members, including some members of other chapters, can look back at a very successful event, which will be remembered for a long time.

Such a success encourages us to look forward to the future and new plans for 2020 are made and will be extended with more exciting events.

The monthly winter Indoor Driving Derbies started in November and will continue till the spring with the big finally on the 4th of April. The enthusiasm and attendance for these derbies is only growing and it keeps horses fit and drivers sharp. Another dressage clinic with Marc-Peter Spahn is planned in the spring and driving clinics in the summer.

The Equine extravaganzas, like the Mane Event in April, inspires our members to stay in shape and the first practices for the Alberta Quadrille group and AFHA's Musicial Ride group are already on their calenders.

Our members competing in dressage, driving, and horse archery are preparing for the summer and hoping to achieve high scores, but most of all it's the FUN they all have with their Friesians.

You can keep up and follow us on Facebook and the website www.afha.ca

Lone Star Friesian Horse Club

Lone Star had a wonderful month of events with invitations to all members to enjoy showing their Friesians in parades, horse shows, Christmas parties, and being thankful for a wonderful great year for all of our members from all over the USA.

We have one huge event coming in January at Bona B Ranch January 24-28, 2020 in Eustace, Texas with a wonderful workshop with the original stars of Cavalia with Magali Delgado, Frederic Pignon and Barbara Alexander. Our own past president and current member Heather Blaylock and her husband Bryan Blaylock will be assisting in the clinic with these wonderful stars. Together they will help people and their horses with the heart of horsemanship with the mind, body and soul of connecting with our horse and learn to unlock that bond with owners. Featured with Friesian Stallions as examples in their teachings. Anyone wanting to attend can go to their website www.barbarainc.com, there is also audit classes and get to together dinner.

Also member Rosemary Holley beautiful mare named Brena by Nanning 374 is doing her drive training exercises, has become a natural with her trainer, she stays in great shape and has been working towards getting ready for spring for some possible events with Mrs. Holley. The mare is has the best temperament and loves to spend time with her mini horse friend Kharbon.

Wonderful Christmas photos were a hit with member Mykal Gray and her friends, These are a few of the many members who had Christmas pictures taken for the holidays this year, these photos were priceless they show how fun taking photos can be and will be a great conversation piece as well as fun for everyone to see.

Our member Samara Taylor has been working with her gelding Vallert H who will be doing some wonderful photos with people who want to have a beautiful horse in their photos, and Vallert will be attending some Charity Horse shows in 2020, We look forward to seeing her and her wonderful horse next year.

We hope everyone has a great New Year and we look forward to many new events that our members have been ask to be part of. We all love promoting the Friesian horse in every discipline and venue. They are truly diversible.
