Lone Star Friesian Horse Club

Greetings to all of our fellow Friesian lovers, it's been a tough summer with the heat and also dealing with the COVID 19 issues. Lone Star has been actively planning for 2021 and also for the fall to be able to enjoy our horses in better cooler weather.

We have had some members attending night shows, and Caitlin Mullins daughter Aubree Mullins rode in her first show at the "Too Hot to Trot " Show which was an evening show. This first-time junior rider who is 14 years old, won several of her classes and placed well above some seasoned pros, she will be back next year riding with our Chapter's group of juniors who love to ride Friesians.

Member Vicky Russell has had her 2 mares in training and they were showcased at their training facility Open House, we hope to see Vicki riding and driving her mares soon as the weather gets cooler.

Our Marketing and Sponsorship member Beverly McGowan has just been elected to serve on the Big D Charity Horse Show Board of Directors for a 3-year term, she will help with the sponsorships and marketing as well as the Friesians for the Charity Show starting in 2021. Next year Lone Star is again one of the breed Co Hosts for the 50th Anniversary Show for April 22th to April 25th, 2021 at Will Rogers Coliseum in Fort Worth, Texas. The Club will have sponsorships for classes and also reserve ring side seating for members and guests with drinks and snacks while watching the show. This show benefits Texas Scottish Rite Children's Hospital and is one of the largest breed shows on the circuit it has more than 100 horses and entries.. It is showcased on television, magazines and promoted nationwide. Lone Star is excited to be part of the traditional history as well as helping children at the hospital.

Free feed coupons as part of the second phase of helping with our members, much like a stimulus package, were shipped out again, we were more than happy to send out over 40.00 worth of free coupons to members and business associates. It was very much appreciated and we hope we can do again for any member.

With summer being too hot to ride per members of Lone Star, The Chapter had a contest of drawing for a free bottle of Texas Whiskey from Robertson's and Firestone here in Fort Worth, and Guinness Beer for the Horses. Winner will receive a bottle of the best Texas Whiskey and with of course their horses would win some Guinness which helps horses to sweat, the best thing to help stay cooled off in Texas. This was a fun promotion and we look forward to doing more with some other sponsors who loved it .

Everyone stay safe, and hope for a better 2021..
