In attendance Jason Tice, Amy Kroll, Erin Miley, Mathew Jenkins, Sharon Bechler, Rebecca Eccard and Tiffany Vanderkooi.

1) The committee was presented with spreadsheet to review options for the Mare Show East Location. Out of the 9 venues that were researched only 3 were viable options. Discussion on pro and cons for Michiana Event Center, Trinity Equestrian Center and Syracuse International. (Spread sheet attached)

- Amy and Tiffany afraid that not enough horses will attend Mare Show if held in PA.
- Matt liked the idea of the venue of Syracuse International but all agreed to far north east.
- Discussion on budgets for both Shows vs expenses on both shows as well
- Discussion on how to proceed with location, if time permitted we would / could have sent to Inspection Committee with options for their opinion and decisions but with time line we are facing we need to go directly to the board for approval.

Matt asked for motion to be made, **motion made by Sharon to hold the 2021 Mare Show East at the Trinity Equestrian Center, Rebecca Seconded. Vote called (Tiffany had to sign off prior to vote due to a Dr. appointment)**

**Amy voiced some concerns but due to the cost also agreed to Trinity Equestrian center. Vote was unanimous in favor of having the mare show east at the Trinity Equestrian Center.**

Once board voted on the 19th we can proceed with finalizing website, advertising, mailing lists and begin fundraising.
