Strategic Planning Goal:

**Approval of June 7, 2021 minutes. Motion to approve by Allison. Julee 2<sup>nd</sup>.**

**Old Business:**

**1. Breeders Achievement Award**

Proposal has not been sent to the board yet. Will be discussed at the next board meeting.

**2. Stallion Reports**

We discussed in detail what we wanted to achieve. Marita had some examples of separated PDF files that have been added to folders in BoardEffect. Members are still unfamiliar with Board Effect so we will have a tutorial from Jason at the next meeting.

Added for now are examination and progeny reports. Allison mentioned there are less formal 1<sup>st</sup> year foal crop reports that may be worth translating.

Committee members will continue to work on separating and translating the reports.

**3. Articles**

Clostridium article. Kristy will contact her vet for this. Article is bad timing for this time of year but if finished will be banked by editorial for next year publishing.

Selenium deficiency in pregnant mares. Allison will contact her vet.

Other:

Possible reprinting of a Friesian Connection article on the reproduction cycle of Friesian Horses. It was also mentioned there is a webinar that could be formed into an article. We could compile a few together in one article.

Weaning article: Discussed finding an article in the Horse Magazine on weaning practices. Marita will look into that article

Next meeting: August 4, 2021
