

Microchip Reader Rental Agreement

By signing below, the person listed as renting the microchip reader agrees to the following rental terms:

1. The renter **MUST** use a credit card to rent the reader. A fee of **\$50 for continental US members and \$60 for members residing outside of the continental US** will be charged to the renter the day the reader is shipped. The reader will be shipped via FedEx or UPS 2 Day Shipping unless otherwise discussed. Overnight shipping must be paid by the renter.
2. If the reader is not returned within **2 weeks** of the shipped date, and the FHANA office has not been contacted by the renter, an additional **\$50** fee will be charged to the renter's credit card for an additional 2 week rental. If the renter requires an extension the renter must contact the FHANA office in writing, email is acceptable, and let the office know when the reader will be returned. If the time frame is acceptable to the office, the additional \$50 fee will be waived.
3. If the reader is not returned within **6 weeks** of the shipped date, and the renter has not contacted the FHANA office for an extension, the **\$400 microchip replacement fee** will be charged to the renter's credit card and the renter will own that microchip reader.
4. It is the renter's responsibility to pay for the return shipping of the microchip reader by what ever shipping company the renter chooses.
