1:30 PM Annual General Meeting

3:30 PM Adjourn

6:00 PM Cocktail Hour

7:00PM Dinner

8:30 PM Awards Banquet/Silent Auction/Stallion Drawing

Friday-We would break membership into 3-5 groups. Each group would rotate every 45-1 hour and go to the next session. Groups would be pre-determined to have a mix of veteran members and newer members. After completion of this session, we would test the members and the group with the highest score, would receive a special award from FHANA.

After the sessions, we would then have Jenny and Alex conduct an Inspection session on how to present, and what the judges are doing while they are reviewing the horse.

We then return back to South Point to allow everyone to freshen up and change into their Roaring 20's outfit.

We would then transport to an offsite facility for a reception (MOB Museum) and the membership could then venture out to Freemont St. or travel back to South Point.

Other Possibilities: Thursday or Sunday conduct an offsite tour/trip to Hoover Dam. This includes pickup from your hotel (at a time of your choice) in a luxury bus with panoramic windows and a restroom on-board, stop at the Las Vegas welcome sign for photos, drive out to the Hoover Dam memorial bridge, for panoramic photos of the dam, walking tour on top of the dam, entrance tickets into the interior of the dam with a tour inside, free time to explore the top of the dam, restaurant Lunch, comedian on the bus to entertain and educate, and ice cold bottled water It also includes a complimentary ticket to the LA comedy club at the Strat if thats something members have time for.

This would be an extra cost \$149.99 for 30-40 people. We would need a commitment by Jan. 15
